 RIGGERSTRANSPORT

Our company strives to improve its capabilities in the global market and become one of the top industrial movers through acquisition and use of the most modern technology and procedures, providing professional service from preplanning to assistance during commissioning for running the entire plant. Specializing in machinery moving and complete “turn-key” industrial plant relocations from abroad to Mexico, transportation and installation of industrial machinery.

SERVICES

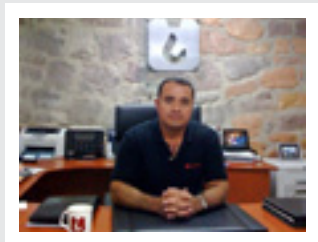

Here at **RIGGERS GROUP** we completely understand how complicated it is for incoming companies to handle so many things at once, when starting a new operation or relocating into Mexico. We concentrate on taking most of that load off our customer’s shoulders by providing complete “turn-key” Plant Relocation, New Machinery Installation, Machinery Moving, Heavy Rigging, Press Erection, Millwright Services, Domestic and Export Crating, Warehousing, Precision Optical Laser Alignment & Leveling, Electrical, Pipe-fitting, Heavy Hauling & Construction.

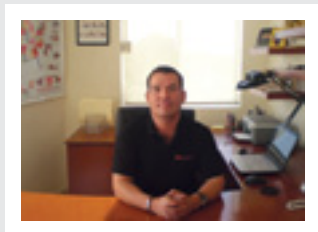

COMPLETE “TURN-KEY” PLANT RELOCATION

- 🔧 Comprehensive pre-move planning and scheduling.
- 🔧 Accurate cost-estimating and cost management.
- 🔧 Complete plant maintenance support during shutdown.
- 🔧 Rigging, crating and loading.
- 🔧 “Door-to-Door Transportation” (Truck/Barge/Rail/Container)
 - Air ride flat-beds, low-boys, step-decks, vans, extendables & multi-axle trailers.
 - All necessary licenses and permits.
- 🔧 All utility disconnections and reconnections including electrical, gas, water, pipe fittings, welding and instrumentation.
- 🔧 Cleaning and painting of equipment (if necessary).
- 🔧 Setting on location according to layout.
- 🔧 Precision millwrighting, leveling and critical tolerance alignments at the receiving location.
- 🔧 Utility hook-ups.
- 🔧 Commissioning.

RIGGERS GROUP was founded in May 2006 and within the first months of operations **RIGGERS GROUP** consolidated itself as one of the most important rigging companies in Mexico. The company was constituted mainly to act as a branch of operations for many rigging companies around the world and members of SC&RA (Specialized Carriers and Rigging Association) in the United States to support them with their projects here in Mexico.

Carlos A. Torres
CEO/General Director

Jose Sadath Lastra
COO/Operation Director

MACHINERY INSTALLATION

RIGGERS GROUP off-loads, sets, levels, aligns, and assembles all kinds of components, able to furnish and install all the electrical conduit, wiring, pneumatic and hydraulic piping; and verifies the equipment cycling during the start-up of the projects. Our personnel and specialized rigging equipment & tools make us one of the most competitive in the market.

Our very first job was awarded in June 2006, installing a complete stamping plant at Ramos Arizpe, Coahuila (MARTINREA) for the Canadian company Windsor & Associates International. The project was the installation of 13 press machines of the following tonnage:

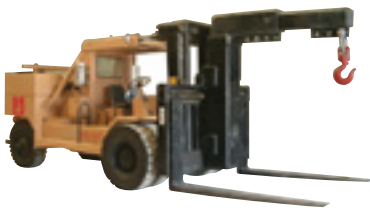

-  1 (one) 2500 ton
-  1 (one) 1000 ton
-  2 (two) 600 ton
-  3 (three) 400 ton
-  1 (one) 300 ton
-  3 (three) 200 ton
-  2 (two) 150 ton

First job awarded to Riggers on June 2006.

OWN EQUIPMENT

-  400 ton Gantry
-  40 ton Fork-lift
-  25 ton Fork-lift
-  16 ton Fork-lift
-  7 ton Fork-lifts
-  4 ton Fork-lifts
-  Trucks, Low-boys, Step-decks & Flat-beds.

For special projects we have the following equipment available in Mexico:

-  1200 ton Gantry
-  1000 ton Gantry
-  500 ton Gantry
-  All-Terrain & Truck Hydraulic Cranes (14 ton to 300 ton)

RIGGERS TRANSPORT

RIGGERS TRANSPORT specializes in Heavy Hauling and General Trucking. Providing “door-to-door” Transportation from USA & Canada to Mexico with no transloading at the border, making sure that customer’s assets remain on the same trailer from its shipping point all the way to its final destination, thus we avoid any possible damage to the cargo due to transloading work at the border.

Liability Insurance, Zero accident record & High certified labor.

THINKING ON SAFETY & PERFORMANCE

Extremely concerned about safety and performance, all of our field personnel are constantly certified by *Secretaria del Trabajo* (Secretary of Work) in any issue that our field employees are involved with, such as Industrial Safety LO-TO (lock-out/tag-out), Welding, Fork-truck operation, Rigging, Aerial work, Confined space work, etc.

CERTIFICATION OF LIABILITY INSURANCE

The Certificate of Insurance supplies our customer proof of Insurance coverage with effective dates, policy numbers and breakdown of coverage’s for each job being conducted.

PRINCIPALS OF THE COMPANY

With the experience of more than a decade in the rigging industry in Mexico of its founder/owner Carlos Torres, his partner/ co-founder Jose Sadath and over 150 years of combined experience, it is a fact that we have the best and most experienced Riggers, Supervisors and Project Managers in Mexico. **RIGGERS GROUP** has worked with American, Canadian, Japanese and European companies, on time, on budget and with complete customer satisfaction.
